

- 
- The diagram illustrates a document template with various safety and layout features. A large white rectangular area is centered on a light blue background. This white area is enclosed by a solid pink border. A horizontal dashed pink line runs across the middle of the white area, indicating a fold line. The entire white area is further enclosed by a dashed black border. A legend in the bottom right corner explains the symbols used in the diagram.
-  - pole spadu (2 mm)
 -  - linia cięcia
 -  - margines bezpieczeństwa (3 mm)
 -  - pole bezpieczne
 -  - linia zgięcia
